- Flashlights

Expected Behavior

The GCLC is a family-oriented group and as several members bring their children to many of our activities, all attendees are expected to conduct themselves accordingly.

No alcohol, drugs, or firearms are allowed at any GCLC trail ride. No person may be under the influence of alcohol, drugs or any substances that may hinder thinking ability or reaction time. Failure to comply can lead to disqualification for the run, dismissal from the club and forfeiture of all membership monies and privileges.

NOTE: If you have a problem driving to the run that causes a required safety item to fail inspection, you will have a chance to make repairs and be re-inspected. All determinations of safety violations are the sole judgment of the GCLC and will be backed by the run committee and the GCLC Board of Directors.
